## Can't Live

*Tye Tribbett*

Every time I wake up in the morning God is there  
In the sun or even if it's storming God is there  
Even in a crowd or if I'm all alone He's still there...still there  
There's no place he'll let me go without him cause he's everywhere  
And I can't live without you  
I can't live

When I'm up way up on the mountain God is there  
And yes when I'm low low low...way down in the valley  
He's still there  
I'm grateful for the love you give to me

You've always been there in the time of need  
And I can't live without you  
I can't live

Do you remember when your heart was in two  
He was right there to hold you  
Are you grateful come on are you grateful  
Well I remember when my bills were too late  
And somehow God made a way  
I'm grateful He didn't have to do it but I'm grateful  
You've always been there in my time of need  
And I can't live without you  
I can't live  
I can't eat  
I can't sleep  
I can't move  
I can't breathe  
I can't walk  
I...I walk  
I can't think  
I'm too weak

## Deliver

### *Youthful Praise*

I know a Man who understands.  
All of the problems that we've come up against. He holds in His hands all of the power.  
It will take to deliver us from all of them.  
He is the Word of God.  
Wrapped Himself in flesh like ours.  
Healed the sick, saved the lost.  
Gave His life upon a cross.  
His name is Jesus Christ the Lord.  
The omnipotent Son of God.  
And He is able to deliver us from all.

He delivered Daniel from the lion.  
And the Hebrew boys from the fire.  
Delivered Lazurus from the Grave.  
So I know He can handle my cares.  
His name is Jesus Christ the Lord.  
The omnipotent Son of God.  
And He is able to deliver us from all.

Tenor: He'll deliver, He'll deliver, He'll deliver, He'll deliver I know (repeat)

Alto: I know He will, He can do it.  
Yes I know He will Jesus can do it.

If you're in sin He'll set you free  
He's the one that will save your soul  
Heal your body and make you whole

Chorus:

Oh, do you know Him?

Bridge:

I know a man from Galilee,  
if you're in sin He'll set you free.  
He's the one that will save your soul,  
Heal your body and make you whole,  
heal your body and make you whole,  
He's the one that delivered me,  
loosed my shackles and set me free,  
loosed my shackles and set me free.

Vamp 1:

Do you know Him,  
do you know my Jesus?

Vamp 2:

Do you know Him?  
Chorus

## Everything Will Be Alright

*Tye Tribbett*

Sometimes you hate waking up in the morning  
You feel like nothing's changed since the night before  
You see the same bills sitting there on the table  
And no doubt the same food in the refrigerator  
You say to yourself there's nothing in-store for this day  
So what's the use of me waking up anyway

(Chorus)

But hold your head up high, God is on your side  
Just dry your eyes and know God's made a way  
Be encouraged  
Everything will be alright

(Verse 2)

So you finally get up and say I'll just ignore what I feel  
So you get dressed, walk out the house, but you forgot  
There's a boot on your wheel  
Ladies and Gentlemen I understand what you feel when life gets like that  
'Cause I've been there to and let me tell you, there ain't no pain that hurts like that  
But you've got to remember though your life seems unfair  
That He won't put more on you than you can bear

(Chorus)

But hold your head up high, God is on your side  
Just dry your eyes and know God's made a way  
Be encouraged  
Everything will be alright

(Vamp)

Alright, it will be alright  
Alright, alright, alright

It's because of your goodness and all the joy you brought to my life  
Taking all my clouds away giving me a brighter day  
I don't even care who knows  
That I really love you so  
You make me happy  
You make me happy  
Your love it makes me feel alright  
Throughout my darkest night  
It keeps on holding on  
and won't let go oh.  
And when I feel alone  
Your loves gives me a song  
It keeps me moving on  
That's why  
You make me happy  
You make me happy

If anyone ask me about this smile on my face  
I tell them the reason is all the joy come my way  
Taking all my clouds away giving me a brighter day  
I don't even care who knows  
That I really love you so  
You make me happy  
you make me happy  
Lord I will always count on you  
When I thought I was through  
Your love was always true  
and let me know oh.  
You're watching over us  
In you I put my trust  
You keep me moving on  
you make me happy  
You make me happy  
I feel like dancing  
I'm so overjoyed

*Tye Tribbett*

(Now it's time to celebrate, all banners raised)

## Has God Done Anything For You

*Maurette Brown-Clark*

### Part I

Has God done anything for you  
Has He done anything for you  
Tell me has He done anything for you  
(Repeat)  
You ought to clap your hands  
Sing hallelujah as loud as you can  
Shout if you want to  
But tell me how can you just sit there  
If God's done anything for you

### Part II

Did he wake you up this morning  
(He wake me up this morning)  
Did He start you on your way  
Let you see a brand (He did it) new dawning  
You rose to see the break of day

Were you really all that good (No)  
Did you serve Him like you should  
(Could've done better)  
Yet God was faithful and just to forgive you  
Each and every time

Bridge

Oh, Oh you owe God a praise  
Oh, Oh you owe Him (repeat)  
You owe Him a praise, Oh

Vamp

Has he done anything (repeat)

## Healed

*Donald Lawrence*

I got a story to tell 'bout some things that I've been through  
But I'm healed, oh I'm healed

Had some ups and some downs  
Almost level to the ground  
But I'm healed, oh I'm healed

Had to wrestle all night long  
Had me wondering what went wrong  
But I'm healed, oh I'm healed

Had some sunshine and some rain  
Heartache and some pain  
I'm healed, oh I'm healed

My God has touched me, delivered  
He set my soul free  
My heart is mended, I'm whole again  
No chains are holding me  
Got my liberty  
I am healed, I am healed, I'm healed today

God has touched me, delivered  
He set my soul free  
My heart is mended, I'm whole again  
No chains are holding me  
Got my liberty  
I am healed, I am healed, I'm healed today

Vamp I may have some scares, I am healed  
Circumstances, I'm still healed  
Disappointments, I am healed  
May have some scares, I am healed  
Circumstances, I'm still healed  
Disappointments, I am healed

Bridge Oh, oh, oh, I am healed  
I am healed, I am healed  
With His stripes I am healed

Oh, oh, oh, I am healed  
I am healed, I am healed  
With His stripes I am healed (go back to vamp as directed)

## **Hold On (Change Is Coming)**

*Sounds of Blackness*

Yesterday, a man step to me,  
He said how can you smile when your world is crumbling down  
I said, here's my secret, when I wanna cry, I take a look around  
And I see that I'm getting by

And I hold on  
Hold On  
A change is coming  
Change is coming  
Hold on  
Hold on  
Don't you worry  
Don't worry bout a thing  
Hold on  
Hold on  
You can make it  
You can make it  
Hold on  
Hold on

Everything  
Everything will be alright

Some people like to worry  
Some people like hide  
Some people like to run away  
From the pain inside  
Now it's your business  
Do whatever you wanna do  
But if it don't work out  
Here's what you oughta do

When the troubles of life weigh you down, just lift your head  
Yea, yea, yea  
When the love you seek is hard to find,  
Don't give up, just keep strong, keep the faith and  
Hold on

## I Want It All Back

*Tye Tribbett*

(Verse 1)

You may have thought, you won that last round  
You may have laughed I almost fell down  
Maybe you think I give up easy  
But it's not over, I got more in me

You thought I stopped, you thought I sat down  
But I am standing, you made me mad now!  
You got some things, I think you owe me  
I've come to get back everything that you stole

(Chorus)

I want it all back

(Verse 2)

You hit me hard, I should be knocked out  
Things I've been through, don't even wanna talk about  
You crossed the line (this time) you violated me  
I want revenge (I want everything back from) A to Z  
The battle's not mine, the battle is the Lord's  
In the name of JESUS, I'm taking it by force

(Chorus)

I want it all back

(Bridge)

If you only knew what I was gonna be  
After the storm you wouldn't have even bothered me

(Chorus)

(And now I'm) stronger  
(And I got more) power  
(I'm a little bit) wiser  
(And I got more) strength  
(I got thee) anointing

(Got God's) favor  
(And we're still) standing  
I want it all back

Give me my stuff back, give me my stuff, give me my stuff back  
I want it all  
I want that,  
What about your family and all your self-esteem, even your destiny?  
What about the joy you tasted and the time you wasted, do you want it back?  
What about your place in God and all your faith in God, even the ways of God?

## **It's More Than That**

*Hezekiah Walker*

I sit and look back in retrospect  
On how can I expect, to justify one reason to love You  
It almost seems like disrespect oh when I recollect on how many reasons  
Just why I should love you  
(repeat)

(Chorus)

Lord you purchased my salvation

But it's more than that  
Brought me in and out of season  
But it's more than that  
You knew and loved me before creation  
But it's more than that  
My love just can't find one reason  
It's more than that.

## My Joy

*Tye Tribbett*

You were there to wrap Your arms around me  
When my nights were cold and lonely  
And when I needed shelter from the rain  
All I had to do was call Your name  
You never let me down You're always there  
You told me all my burdens You will bear  
I'll never truly understand Your ways  
But I understand You love me and for this I want to say  
You are my joy  
You are my joy  
It's because of You I smile right in my storm  
Your strength is perfect when I'm weak and worn  
Thank You for the love You give to me  
Thank You for Your grace and mercy  
When all of these trials should make me sad  
I will rejoice for  
You have made me glad  
You are my joy  
You are my joy

## **No Greater Love**

*GMWA Mass Choir*

Verse:

For God so loved the world,  
that He gave His only Son.  
The Son gave His life for me,  
when He died on Calvary.

There is no greater love,  
nowhere, you won't find it  
than a man would lay down His life for a friend,  
there's no greater love, no greater love  
than a man would lay down his life for a friend

Chorus 1:

There is no greater love,  
there is no greater love,  
(there is no greater love)  
(no greater love)

Bridge:

No greater love,  
no greater love  
no greater love  
no greater love  
(than a man would)  
(He would lay down His life for a friend.)  
for a friend  
for a friend

No greater love,  
no greater love,  
no greater love,  
no greater love.

Vamp 1:

Jesus went to Calvary  
to save a wretch,  
like you and me;  
that's love, that's love.  
(repeat as directed)

Vamp 2:

They hung Him high,  
they stretched Him wide.  
He hung His head, for me He died;  
that's love, that's love.  
(repeat as directed)

Vamp 3:

That's not how the story ends,  
three days later He rose again;  
that's love, that's love.

## **No Other Choice**

*Tye Tribbett*

(Verse 1)

So many times in life before, I tried and tried to do things my way (hey, hey, hey)  
I thought that I was smart enough, I thought I knew enough to (handle my self)  
I didn't realize the problem was, the struggle was between my will and Yours  
So I'm giving up my will for Yours, I'm totally depending on You (please come through)

(Hook)

I have no other choice but to trust You  
That's all I can do  
I have no other choice but to believe

(Verse 2)

Now when trouble comes my way, I don't cry, I just lift my eyes (to the hills)  
'Cause Your word says my help is gonna come, I'm just gon rest in what You say (hey, hey, hey)

(Bridge)

'Cause I know every word You say is true  
And every promise that You made it will come to  
So no matter how long it takes  
I'll be here still giving praise  
Waiting on my change to come

(Hook)

## **Power Belongs To God**

*Hezekiah Walker*

Verse 1

Trust in the Lord at all times  
Pour out your heart before Him  
Power belongeth to God

God has spoken once  
And twice have I heard this  
Power belongeth to God

Who can search His understanding  
His thoughts higher than ours  
All power's in His hands  
For my life He has a plan

God is our salvation  
We find refuge in Him  
Power belongs

Power belongs to God

Verse 2

Great is our God almighty  
And He is strong at battle  
Power belongs to our God

Although an host encamp me  
Encamp and do surround me  
Power belongs to our God

I shall not be afraid of the terror by night  
Nor the arrow by day  
I'm persuaded come what may

And now trouble behind me  
I've got great joy before me  
Power belongs  
Power belongs to God

(Vamp)

There is nothing too hard for God  
Nothing too hard for God  
Power belongs to God

## Right Now Praise

*Jonathan Nelson*

### Verse 1

I am just one praise away from my breakthrough, I'm just a praise away from my blessing, so I must reach down inside to the depths of my soul and bring forth a right now praise, that's already in me.

### Verse 2

You are just a praise from your breakthrough, just a praise away from your blessing, if you'll just reach down inside to the depths of your soul, and bring forth a right now praise, that's already in me. For it's my praise, that produces fresh oil (fresh oil in parts), and it's the oil of the anointing that destroys every yoke, so I'll just reach down inside to the depths of my soul, and bring forth a right now praise, that's already in me.

Vamp

Praise a right now praise, praise a right now praise, praise a right now praise,  
(repeats the same line)

Choir

Praise a right now praise, praise a right now praise, praise a right now praise,

## **I Made It Through**

*Tye Tribbett*

I thought I would not survive  
I came this close to losing my mind  
Sometimes you go through things in life  
That make you say "Lord, why me this time?"

But He's so faithful  
He keeps making was out of no way  
Just when I thought that I couldn't take no more  
I made it through

So many nights I had to cry  
So many storm clouds I lost sight  
I felt like giving up the fight  
Never thought I would see daylight

But He's so faithful  
He keeps making ways out of no way  
He's so faithful  
He keeps making ways out of no way  
Just when I thought that I couldn't take no more

## Sovereign God

*Maurette Brown-Clark*

There aren't even words to describe just how great You are  
In all Your majesty  
You continually  
Provide for me  
There just isn't anything that You can't do  
Lord I've seen Your work before  
So I'll trust you all the more  
Because You are

(chorus)

You are the sovereign God  
Bigger than all my problems  
And every situation  
There is nothing too hard  
For the sovereign God

A wave of Your hand can command the seas to hold their peace  
If you can handle the seas  
Then I know that You can deal with all my needs  
So I will put every situation  
Into Your capable hands  
I don't have to know the plan  
Because You are

(chorus)

You are the sovereign God  
Bigger than all my problems  
And every situation  
There is nothing too hard

For the sovereign God

He is able to do exceedingly abundantly  
Above all we ask or think  
So take all your burdens and lay them at His feet  
And watch Him meet the need  
We have the victory  
Because You are  
(chorus)  
You are the sovereign God  
Bigger than all my problems  
And every situation  
There is nothing too hard  
For the sovereign God

He is sovereign, He is  
He is sovereign, He is  
(repeat sequence 3 times, inverting each time up to one octave...)

(chorus)  
You are the sovereign God  
Bigger than all my problems  
And every situation

## Calling My Name

*Hezekiah Walker*

How many times do I go against Your will  
then You forgive me  
but yet I still turn around and do the things  
the things I shouldn't do  
'cause I belong to You  
and I know You will come through  
Lord I know I take advantage of Your grace  
here in this Christian race  
but yet I still hear You calling my name  
solo:  
how many times would it take for me to learn  
that it's only in Your will that I'll ever earn  
I'll ever earn my life's reward  
the honor due to me  
life eternally riches in glory  
Lord I know I know I don't belong  
with You cuz I've done wrong

oh oh but yet I still hear You calling my name  
yeah  
How many times do I go against Your will  
then You forgive me  
but yet I still turn around and do the things  
the things I shouldn't do  
cuz I belong to You  
and I know You will come through  
Lord I know I take advantage of Your grace  
here in this Christian race  
but yet I still hear You calling my name

chorus:

You're calling my name to come into Your arms  
to be safe from fear and harm  
knowing this but I still choose to go my way  
then You still say, You say that I am He

oh Lord I've sinned but You're still calling my name  
3x's

oh Lord I've sinned but You're still calling my name  
4x's

# Praise Is What I Do

## *Shekinah Glory Ministry*

Praise is what I do  
When I want to be close to You,  
I lift my hands in praise.  
Praise is who I am,  
I will praise Him while I can.  
I'll bless Him at all times.

### Chorus

I vow to praise You  
Through the good and the bad.  
I'll praise You,  
Whether happy or sad.  
I'll praise You  
(this is my testimony)  
In all that I go through,  
(somebody said why)  
Because praise is what I do,  
Cause I owe it all to You.

### Verse 1:

(come on church)  
Praise is what I do  
(come on church)  
When I want to be close to You,  
(I lift my hands-somebody lift Him)  
I lift my hands in praise.  
(somebody say it so the devil will hear you)  
Praise is who I am,  
(come on praise the Lord)  
I will praise Him while I can.  
I'll bless Him at all times.

### Chorus

And I vow to praise You  
Through the good and the bad.  
I'll praise You,  
Whether happy or sad.  
I'll praise You  
(Somebody lift your voice and say)

### Verse 2:

Praise is what I do,  
Even when I am going through,  
(see I've learned...)  
I've learned to worship You.  
(see I want to let the devil know tonight, even though...)  
Know my circumstance doesn't even stand a chance,  
My good outweighs the bad.  
(so I vow to praise)

Repeat Chorus

Now somebody lift your voice  
And just go to praising him right now  
Somebody lift your voice in this place  
Lift up your voice in this place.

Praise is what I do  
Is what I do

## **Speak To My Heart**

*Donnie McClurkin*

Speak to my heart, Holy Spirit  
Give me the words that will bring new life  
Words on the wings of the morning  
the dark night will fade away  
If you speak to my heart

Speak to my heart, Holy Spirit  
Message of love to encourage me

Lifting my heart from despair  
How you loved me and cared for me  
If speak to my Heart

Speak to my Heart Lord  
Give me your Holy Word  
If I can hear from you, then I'll know what to do  
I won't go alone, I'll never go on my own  
Just let your Spirit guide and let your word abide  
Speak to my Heart

## Never Would Have Made It

*Marvin Sapp*

Never would have made it  
Never could have made it without You  
I would have lost it all  
But now I see how You were there for me

And I can say  
Never would have made it  
Never could have made it  
Without You

I would have lost it all  
But I now I see  
How You were there for me  
And I can say

I'm stronger, I'm wiser  
I'm better, much better

When I look back

Over all You brought me through  
I can see that You were the One  
I held on to

And I never, never would have made it  
(Never would have made it)  
Oh, I never could have made it  
(Never could have made it without You)

Oh, I would have lost it all  
Oh, but now I see  
How You were there for me

I never  
(Never would have made it)  
No, I never  
(Never could have made it without You)

I would've lost my mind  
A long time ago  
If it had not been for You  
I'm

I am stronger  
(I am stronger  
I am wiser  
(I am wiser)

And now I am better  
(I am better)  
So much better  
(Much better)

I made it  
Through my storm and my test  
Because You were there  
To carry me through my mess

I am stronger  
(I am stronger  
I am wiser  
(I am wiser)

I am better  
(I am better)  
Anybody better

(Much better)

I can stand here and tell You  
I made it  
Anybody out there  
That You made it

I'm stronger  
(I'm stronger)  
I am wiser  
(I'm wiser)

I'm better  
(I'm better)  
Much better  
(Much better)

I made it  
(I made it)  
I made it  
(I made it)

I made it  
(I made it)  
I made it  
(I made it)

Never would have made it  
(Never would have made it)  
Never could have made  
(Never could have made it without You)

I would have lost my mind  
I would have gave up  
But You were right there  
You were right there

I never  
(Never would have made it)  
Oh, I never  
(Never could have made it without You)

Somebody just  
Need to testify this tonight  
Next to them  
Tell them

I am stronger, I am wiser  
I am better, much better

When I look back  
Over what He brought me through  
I realize that I made it  
Because I had You to hold on to

Now I am stronger, now I am wiser  
I am better, so much better

I've made it  
Is there anybody in this house other than me  
That could declare You made it  
Tell Your neighbor

Never would have made it  
(Never would have made it)  
Tell em never could have made it  
(Never could have made it without You)

Oh, I wish I had some help here  
I wish I had just two or three people  
That would just declare it

Never would have made it  
(Never would have made it)  
Never could have made it  
(Never could have made it without You)

I just, I just love to encourage myself  
Sometime I look in the mirror and say

I'm stronger, I'm wiser  
I am better, so much better

When I look back over  
What He brought me through  
I realize that I made it  
Because I had You to hold on to

But I never would have made it  
I never could have made it without You  
Yeah, yeah, yeah, lawdy  
Oh, I good God, Almighty

Never would have made it  
(Never would have made it)  
Never could have made it  
(Never could have made it without You)

Sing it one more time  
All I need is just one more time  
Everybody sing with me

Never would have made it  
Oh  
Never could have made it without You

From the hand of my enemy  
I can stand my ground with the Lord on my side  
For the snares they have set will not succeed

(Chorus)

No weapon formed against me shall prosper, it won't work  
No weapon formed against me shall prosper, it won't work

For I Know God Will do(said he would do it) What he said he's gonna do(said he would do it)  
He will stand by his word(stand by his word), he will come through  
God will do what(said he would do it) he said he he's gonna do(said he would do it) stand by his  
word(stand by his word) NO NO NO WAY!

(Chorus)

No weapon formed against me shall prosper, it won't work  
No weapon formed against me shall prosper, it won't work  
It won't work Dont be afraid of the arrows or the snares set by your enemies if you believe it say oo (oo

There just aint one weapon(there just aint one weapon no)  
Although they've set a snare and a trap i want you to know it won't work oh no no no  
(there just aint one)  
(there just aint one weapon no)

## **My Life Is In Your Hands**

*Kirk Franklin*

You don't have to worry  
And don't you be afraid  
Joy comes in the morning  
Troubles they don't last always  
For there's a friend in Jesus  
Who will wipe your tears away  
And if your heart is broken

Just lift your hands and say

Oh

I know that I can make it  
I know that I can stand  
No matter what may come my way  
My life is in your hands

With Jesus I can take it  
With Him I know I can stand  
No matter what may come my way  
My life is in your hands

So when your tests and trials  
They seem to get you down  
And all your friends and loved ones  
Are nowhere to be found  
Remember there's a friend in Jesus  
Who will wipe your tears away  
And if you heart is broken  
Just lift your hands and say

Oh

I know that I can make it  
I know that I can stand  
No matter what may come my way  
My life is in your hands

With Jesus I can take it  
With Him I know I can stand  
No matter what may come my way  
My life is in your hands

## Here I Am To Worship

Light of the world  
You stepped down into darkness  
Opened my eyes let me see  
Beauty that made this heart adore You  
Hope of a life spent with You

Here I am to worship  
Here I am to bow down  
Here I am to say that You're my God

You're altogether lovely  
Altogether worthy  
Altogether wonderful to me

King of all days  
O so highly exalted  
Glorious in Heaven above  
Humbly You came to the earth You created  
All for love's sake became poor

I'll never know how much it cost  
To see my sin upon the cross

...Worship You  
Hallelujah, Hallelujah  
I worship You for who You are

I worship You  
Hallelujah, Hallelujah  
I worship You for who You are

## I Smile

*Kirk Franklin*

Today's a new day, and there is no sunshine.  
Nothing but clouds, and it's dark in my heart  
and it feels like a cold night.  
Today's a new day, where are my blue skies,  
where is the love and the joy that you promised me  
you tell me it's alright.

(I'll be honest with you)  
I almost gave up, but a power that I can't explain,  
fell from heaven like a shower.

(When I think how much better I'm gonna be when this is over)

I smile, even though I'm hurt see I smile,  
I know God is working so I smile,  
Even though I've been here for a while  
I smile, smile..

it's so hard to look up when you look down.  
Sure would hate to see it when you give up now  
You look so much better when you smile, so smile.

Today's a new day, but there is no sunshine.  
Nothing but clouds, and it's dark in my heart,  
and it feels like a cold night.  
Today's a new day, tell me where are my blue skies,  
where is the love and the joy that you promised me  
tell me it's alright.

(the truth is)  
I almost gave up, but a power that I can't explain  
fell from heaven like a shower.

I smile, even though I'm hurt see I smile,  
I know God is working so I smile,  
Even though I've been here for a while  
I smile, smile..  
it's so hard to look up when you look down.  
Sure would hate to see it when you give up now  
You look so much better when you smile.

Smile.. for me  
Can you just smile... for me.  
Smile.. for me  
Can you just smile... for me.

ohohoh you look so much better when you  
(and while your waiting)  
ohohoh you look so much better when you  
(and while your praying)  
ohohoh you look so much better when you  
(look in the mirror)  
ohohoh you look so much better when you  
(always remember)  
You look so much better when you smile

I almost gave up, but a power that I can't explain  
fell from heaven like a shower.

I smile, even though I'm hurt see I smile,  
I know God is working so I smile,  
Even though I've been here for a while  
I smile, smile..

it's so hard to look up when you look down.  
Sure would hate to see it when you give up now.  
You look so much better when you smile.  
so smile.

ohohoh you look so much better when you  
smile...

## **A God Like You**

*Kirk Franklin*

Everybody wanna be like you they  
Want power and praise like you but  
See there is no god like our God  
There's no one like you  
Who gave their life like you and  
Who payed our price like you see  
There's only one god that's our God  
There's no one like you.  
Who can touch like you  
Or heal us like you do  
We stumble and we stray  
Til' you always get us thru  
Who makes all things new  
And comes to our rescue

Death, hell, and the grave  
 They could not conquer  
 You became just like me  
 To unlock and set free  
 This prisoner that was deeply wounded and redeemed  
 The me I could not see  
 Everybody wanna be like you they  
 Want power and praise like you but  
 See there is no god like our God  
 There's no one like you  
 Who gave their life like you and  
 Who payed our price like you see  
 There's only one god that's our God  
 There's no one like you.  
 Some may worship things  
 But what joy do they bring  
 They try and hide the stains  
 But can they set us free  
 See where would we be  
 Without Calvary  
 A king upon a tree  
 So the whole world can see  
 You became just like me  
 To unlock and set free  
 This prisoner that was deeply wounded and redeemed  
 The me I could not see  
 Everybody wanna be like you they  
 Want power and praise like but  
 See there is no god like our God  
 There's no one like you  
 Who gave their life like you and  
 Who payed our price like you see  
 There's only one god that's our God  
 There's no one like you.  
 Healer, father, savior  
 Counselor, friend, provider  
 Was is and forever  
 That's why I just wanna be where you are  
 I'll travel life with you no matter how far  
 [2x]  
 ...  
 Became just like me  
 To unlock and set free  
 This prisoner that was deeply wounded and redeemed  
 The me I could not see

Everybody wanna be like you they  
Want power and praise like but  
See there is no god like our God  
There's no one like you  
Who gave their life like you and  
Who payed our price like you see  
There's only one god that's our God  
There's no one like you.  
There's no one like you, there's no one like you, there's no god like our God  
There's no one like you.

## One Way Jesus

*Hillsong United*

I lay my life down at Your feet  
Cause You're the only one I need  
I turn to You and You are always there

In troubled times it's You I seek  
I put You first that's all I need  
I humble all I am all to You

One way  
Jesus  
You're the only one that I could live for  
One Way  
Jesus  
You're the only one that I could live for

You are always, always there  
Every how and everywhere  
Your grace abounds so deeply within me

You will never ever change  
Yesterday today the same  
Forever till forever meets no end

One way  
Jesus  
You're the only one that I could live for  
(repeat 4x)

You are the Way the Truth and the Life  
We live by faith and not by sight for You  
We're living all for You

You are the Way the Truth and the Life  
We live by faith and not by sight for You  
We're living all for You

(Chorus)

## **Prove My Love**

*Travis Greene*

Can't imagine a life without your presence  
a day without your Glory  
or a moment without your love  
Shower me with grace  
I live to seek your face  
& I'll never go one day without you  
Lord I need you  
I live to praise your name  
If it means jumping  
If it means dancing  
If it means running  
If it means clapping  
I'll do anything to prove my love  
I'll do anything to prove my love  
Whatever you want, I'll do  
Whatever you need  
I'll do anything to prove my love  
I'll do anything to prove my love

## **How Great Is Our God**

*Chris Tomlin*

The splendor of a King, clothed in majesty  
Let all the earth rejoice  
All the earth rejoice

He wraps himself in Light, and darkness tries to hide

And trembles at His voice  
Trembles at His voice

How great is our God, sing with me  
How great is our God, and all will see  
How great, how great is our God

Age to age He stands  
And time is in His hands  
Beginning and the end  
Beginning and the end

The Godhead Three in One  
Father Spirit Son  
The Lion and the Lamb  
The Lion and the Lamb

Name above all names  
Worthy of our praise  
My heart will sing  
How great is our God

How great is our God, sing with me  
How great is our God, and all will see  
How great, how great is our God

## **For Every Mountain**

*Kurt Carr*

I've got so much to thank God for  
So many wonderful blessings  
and so many open doors  
A brand new mercy  
along with each new day  
That's why I praise You  
and for this I give You praise

For waking me up this morning  
That's why I praise You

For starting me on my way  
That's why I praise You  
For letting me see the sunshine  
that's why I praise You  
of a brand new day  
A brand new mercy  
along with each new day  
That's why I praise You and for this  
I give You praise

You're Jehovah Jhireh  
That's why I praise You  
You've been my Provider  
That's why I praise You  
You see so many times You've met my needs  
So many times You rescued me  
That's why I praise You  
I want to thank You for the blessing  
You give to me each day  
That's why I praise You  
For this I give You praise

For every mountain You brought me over  
For every trial you've seen me through  
For every blessing  
Hallelujah, for this I give You praise

## The Best Is Yet To Come

*Donald Lawrence*

Hold on, my brother,  
Don't give up  
Hold on, my sister,  
Just look up  
There is a master plan  
In store for you  
If you just make it through

God's gonna really  
Blow your mind  
He's gonna make it  
Worth your time  
for all of the trouble  
You've been through  
The blessings doubled  
Just for you

The best is yet to come

Today is the first day  
Of the best days of  
Your life

You ain't seen nothing yet

## You Found Me

*Israel Houghton*

You found me, you found me  
once I was lost but now i'm found  
You love me, you love me  
You broke the chains that held me down

You healed me, you healed me  
Once I was blind but now I see  
You freed me, you freed me  
With what you did on calvary  
Thank you for the cross

You are stronger than sin  
You're the cure for my disease  
You are more than enough  
More than enough for me  
Your grace has made a way  
For me to say [i found my need]  
I am found  
I am loved  
I am healed

I am free  
I am free

You found me, you found me  
Once I was lost but now I'm found  
You love me, you love me  
You broke the chains that held me down

You healed me, you healed me  
Once I was blind but now I see  
You freed me, you freed me  
With what you did on calvary  
Thank you for the cross

You are stronger than sin  
You're the cure for my disease  
You are more than enough  
More than enough for me  
Your grace has made a way  
For me to say what I believe  
I am found  
I am loved  
I am healed

You are stronger than sin

You're the cure for my disease  
You are more than enough  
More than enough for me  
Your grace has made a way  
I need to say what i believe  
I am found  
I am loved  
I am healed

I am free  
I am free  
I am free  
I am free

Come on

Well I was lost, locked down  
In the prison of my mind  
I was blind to the ways  
That had me caught up in a bind  
[ Israel Houghton Lyrics are found on [www.songlyrics.com](http://www.songlyrics.com) ]  
I was bound by the shackles  
That were tacklin' my hope  
I was livin' like a fool  
[Who'd be givin' much rope]??

Steady me, steady me  
Cause I'm about to freak  
Steady me, steady me  
It's gettin kinda deep  
But then you crept in, stepped in  
With the ray of light  
One glimpse from the fence  
And I fell to your side

Steady me, steady me  
Cause I'm about to freak  
Steady me, steady me  
It's gettin kinda deep  
Cause one shout of you grace  
In my space, big change  
You were clear, atmosphere  
It's a brand new day

Cause I'm free, baby,  
I'm free

And can't take it away from me  
Cause I'm free, baby,  
I'm free  
You can't take it away from me

Here we go

No more chains  
Holding me  
I have been delivered  
No more chains  
Holding me  
I am free in Thee

No more chains  
Holding me  
I have been delivered  
No more chains  
Holding me  
I am free in Thee

No more chains  
Holding me  
I have been delivered  
No more chains  
Holding me  
I am free in Thee

No more chains  
Holding me  
I have been delivered  
No more chains  
Holding me  
I am free in Thee

Cause I'm free, baby,  
I'm free  
And can't take it away from me  
Cause I'm free, baby,  
And can't take it away from me

## Glad

*Anthony Brown & Group Therapy*

This is the day  
that the Lord has made  
He didn't have to let me see it  
it could have been another way  
but He gave me mercy  
covered me with grace  
so I won't let nothing take the smile off my face.

I will rejoice, I will rejoice  
I will rejoice, I will rejoice  
I will rejoice, I will rejoice  
and "Imma" be glad  
"Imma" be glad, "Imma" be glad

Right now (it's about time for a miracle)

Come on & clap your hands  
We're going over to the promised land  
Right now (it's about time for a miracle)

Can't you see (can't you see)  
It's about time for a miracle

Come on get ready to shout  
God already worked it out  
Right now (it's about time for a miracle)

He's doing what you asked Him to  
And He's doing it just for you  
Right now (it's about time for a miracle)

All the faith you need  
It's about the size of a mustard seed  
And He'll move (He'll move mountains out of my way)

No matter how big or small  
My God will take care of them all  
Can't you see (can't You see)  
It's about time for a miracle

God is  
Working  
A miracle

# I Got Out

*Bryan Poppin*

I've been through the fire  
but I got out  
I've been through the fire  
but I got out  
No matter what you're going through  
He's gonna make a way for you  
and soon you're gonna say  
I got out

I've been through the fire  
but I got out  
I've been through the fire  
but I got out  
No matter what you're going through  
He's gonna make a way for you  
And soon you're gonna say  
I got out

I've been through the fire  
but I got out  
I've been through the fire  
But I got out  
No matter what you're going through  
He's gonna make a way for you  
And soon you're gonna say  
I got out

Yes  
Now For those of you who're still going through some stuffs  
Come on put a praise on it  
And sing I've been through the fire

I've been through the fire  
but I got out

But I got out  
He's gonna make a way for you  
And soon you're gonna say  
I got out

## I Got That

*Anthony Brown and Group Therapy*

Everywhere I go I take my Jesus with me  
Everywhere I go I take my Jesus with me  
Everywhere I go I know He's right there with me  
That's why I'm still winning every time you see me

Everywhere I go I take my Jesus with me  
Everywhere I go I take my Jesus with me  
Everywhere I go I know He's right there with me  
That's why I'm still winning every time you see me

I got that V-I-C-T-O-R-Y  
I got no reason to fear  
I got Jesus on my side  
I got that (hey)  
I got that (V's up)  
I got that (hey)  
I got that (V's up)  
**(repeat)**

Everybody's asking  
Why you always laughing?  
When there is no reason to smile  
And everybody's saying  
Why do you keep praying?  
Things ain't change for you in quite a while  
When I think of all the  
Stuff I had to go through  
Just so I could be here today  
It always reminds me  
Go ahead and be thankful  
Coz I know my blessing's on the (coz my blessings on the way, yeah)

They said that I ain't gon' make it  
They said that it couldn't be done  
But every time they see me  
They say they know that I've won  
I'll take no credit  
For where my help comes from  
I just look up to them hills  
And I praise him to the skies

I got that V-I-C-T-O-R-Y  
I got no reason to fear

I got Jesus on my side  
I got that (hey)  
I got that (V's up)  
I got that (hey)  
I got that (V's up)  
**(repeat)**

Everywhere I go I take my Jesus with me  
Everywhere I go I take my Jesus with me  
Everywhere I go I know He's right there with me  
That's why I'm still winning every time you see me

Now you understand why  
I keep my head held high  
Even on the worst of days  
I might call for the night but  
Joy comes in the morning  
Trouble don't last always  
Please don't let them tell you  
What you cannot do  
Just because it's never been done  
You just let them watch you  
Do what they cannot do  
And just tell them, my God won

They said that I ain't gon' make it  
They said that it couldn't be done  
But every time they see me  
They say they know that I've won  
I'll take no credit  
For where my help comes from  
I just look up to them hills  
And I praise him to the skies

I got that V-I-C-T-O-R-Y  
I got no reason to fear  
I got Jesus on my side  
I got that (hey)  
I got that (V's up)  
I got that (hey)  
I got that (V's up)  
**(repeat)**

Thanks be unto God  
who giveth me the victory  
Thanks be to my God

who giveth me the victory

Thanks be unto God  
who giveth me the victory  
Thanks be to my God  
who giveth me the victory

I got that V-I-C-T-O-R-Y  
I got no reason to fear  
I got Jesus on my side  
I got that (hey)  
I got that (V's up)  
I got that (hey)  
I got that (V's up)  
**(repeat)**

Every time you look up  
You gon' see me winning  
Every time you look up  
You gon' see me winning  
Every time you look up  
You gon' see me winning  
Look up

You gon' see me praying  
Every time you look up  
You gon' see me praying  
Every time you look up

*Bishop Larry Trotter & Sweet Holy Spirit Combined Choirs*

Verse:

You don't know my story,  
all the things that I've been through;  
you can't feel my pain,  
what I had to go through to get here,  
you'll never understand my praise,  
don't try to figure it out;

Chorus:

Because my worship is for real (2x).

Bridge:

I've been through too much not to worship Him.

Vamp 1:

Hallelujah (2x),  
my worship is for real.

Thank You Jesus (2x),  
my worship is for real.

Lord I love You (2x),  
my worship is for real.

You're so worthy (2x),  
my worship is for real.

Vamp 2:

Yes

Thank You Jesus.

Lord I love You.

Hallelujah

You're so worthy.

# Never Forget

*Hezekiah Walker*

[Chorus]

I'll never forget what you've done for me  
I'll never forget how you set me free  
You paid the price  
Laid down your life  
I'll never forget what you've done for me  
I'll never forget what you've done for me

[Verse 1]

I'll never forget how you made a way  
I'll never forget how you took my place  
You paid the price  
Laid down your life

[Chorus]

I'll never forget what you've done for me  
I'll never forget what you've done for me  
I'll never forget how you brought me out  
I'll never forget how you cancelled all of my doubts  
And so I owe  
You all the praise  
I'll never forget what you've done for me  
I'll never forget what you've done for me

[Outro]

I'll never forget what you've done for me  
I'll never forget what you've done  
For me

## More Like Him

*Bishop Eric McDaniel*

Oh, how I want to be, really want to be more like Him  
Oh, how I want to be, really want to be more like Him

Oh, how I want, I wanna be more like Him  
I wanna be more

Oh, how I want to be, really want to be more like Him  
Oh, how I want to be, really want to be more like Him

Oh, how I want, I wanna be more like Him  
I wanna be more

Oh, how I want to be more like Him

I want to be more like Him  
I got to be more like Him

I want to walk like Jesus walked  
Talk like Jesus talked, more like him

I wanna be more like Him  
I wanna be more like Him

More like him

# The Lord Will Make a Way Somehow

*Hezekiah Walker*

Like a ship that's tossed and driven, battered by an angry sea.  
When the storms of life are raging, and their fury falls on me.  
I wonder what I have done, to make this race so hard to run.  
(Then I say to my soul, soul take courage)  
The Lord will make a way somehow.  
The Lord will make a way somehow.  
*[Repeat]*

*[Verse: x2]*

This teacher's journey may not be easy, you did not say it would be.  
Sometimes I get so lonely and disheartened, and I just don't want to be bothered.  
Then I began to think Lord what I have done, to make this race so hard for me to run.  
Then I say to my soul, soul take courage

The Lord will make a way somehow  
The Lord will make a way somehow

*[Sop:] Somehow*

*[Alto and Tenor:] Somehow, Somehow, Somehow, Somehow*

*[Ending:]*

The Lord will make a way somehow  
The Lord will make a way somehow

# Don't Wait Too Late

*GMWA Mass Choir*

Don't wait to late  
To get your household straight  
For the Lord may be coming back today  
If you hesitate you may be making a mistake  
For He may come morning night or noon.

Bridge:

Will you be ready when Jesus comes  
Don't let Him catch you with your work undone.  
For when He shall come  
He will know just what you've done

End:

Will you be ready  
When Jesus comes
